Any seasonal guest who is single is allowed one free visitor at any time. The maximum number of people allowed on a site is eight (8). Management approval is required for any larger parties. For the 2024 season, we are giving each seasonal site thirty (30) free visitor passes. Each pass is good for one visitor for either a day or night stay. If you are using a visitor's pass and your guests will be less than 2 hours, they can stop by the office on their way out and won't use up one of your free passes. If you want your visitor to use a pass, you must inform the office before their arrival.
